

Diamond Drill

Out of the Past

December 18, 1974

Jerre W. Brasfield, 31, a native of Cleveland, Ohio who recently has been associated with a medical clinic in Lakeland, Florida, has joined the Falls Clinic as a Physician's Assistant. The Brasfield family, which includes his wife Lynne and two children Shelly (12) and Denise (9) have made their home in the former Rezin Home (709 Marquette Ave.)

There is no plan at least for the present to initiate a breakfast program in the Forest Park School District. The Board of Education upon the recommendation of Superintendent Wilbur Schenk who in a lengthy report viewed the proposal supported by the Dickinson-Iron Community Action Agency as expensive, difficult to administer and unnecessary. Such programs have the endorsement of the Michigan Department of Education and can be partially subsidized by Federal funding, but as indicated in Schenk's evaluation the difficulty with problems relating to auxiliary staffing of the food services department and busing logistics are substantial.
