Crystal Falls City crews have completed work on the annual "slick up" where rakers have removed the winter's accumulation from City streets.

Work has begun on the construction of the new bridge over the Hemlock River in Amasa. The concrete girder type bridge will have a span of 42' with foundations 3' below the bed of the river.

Crystal Falls Postmaster James R. Flood has announced the extension of the mail delivery route which currently services the Dunn Location to include the Buck Lake district and other residents west of Alpha. The carrier will pass through Alpha and return back to Crystal Falls where the Section 6 vicinity will be served.
