

Diamond Drill

Out of the Past

December 11, 1974

The formal dedication ceremony of the Eddie Chambers Memorial Gym was held at the Forest Park High School. A memorial cast aluminum plaque purchased with contributions from friends of the late Trojan Coach was unveiled. The presentation featured a long resume of Chambers' involvement in the Crystal Falls area sports community. Although mostly remembered as a successful basketball coach, he also coached tennis and golf at Crystal Falls High School. A graduate of the University of Michigan where he was regarded as one of the top college athletes in the nation, Chambers was a star athlete on the local independent basketball and baseball teams and a well-respected Upper Peninsula sports official in both basketball and football. He was selected as a charter member of the Upper Peninsula Sports Hall of Fame in 1972.

The Michigan Department of Natural Resources reminds the public that Christmas trees may not be cut on State Property. Persons transporting Christmas trees are required to have a copy of a bill of sale.
